

TANNING OIL #1

A bisulfate concentrate non-oxidizing tanning oil for medium to heavy skins. Highly softening. This product is recommended when tanning with Liqua Tan, Para-Tan, Alum or Lutan F.

91-K290Q Quart \$ 28.00

ADVANCED TANNING SOLUTIONS FUR OIL

This light weight swabbing oil is a blend of natural and synthetic oils and polymers, with an added antioxidant. Swab Oil LT produces a supple soft, stretchy leather. It permanently fixes to the leather preventing wash out and oil migration, yet allows the skin to be easily rehydrated, making it a superb oil for taxidermy tanning. Excellent shelf life. It leaves a pleasant, non-oily feel to the leather. It is recommended for small mammals (fur bearers) such as fox, raccoon, coyote, wolf, beaver, etc.

91-AOILLTG Gallon (DS) \$ 73.50

TANZALL DRY TAN OIL

After tanning and neutralizing, towel dry skin and hang up for 1 hour to drain. Paint or rub warm oil over the entire skin. Let hang overnight, then tumble or hand break skin as it is drying. Sand skin with sander when dry.

91-TZD0Q Quart \$ 23.50

ADVANCED TANNING SOLUTIONS HIDE OIL

This medium weight swabbing oil is a blend of natural and synthetic oils and polymers, with an added antioxidant. Swab Oil MD produces a supple soft, stretchy leather. It permanently fixes to the leather preventing wash out and oil migration, yet allows the skin to be easily rehydrated, making it a superb oil for taxidermy tanning. Excellent shelf life. It leaves a pleasant, non-oily feel to the leather. It is recommended for medium sized mammals such as deer, mountain lion, goat, sheep, medium bears, pig and medium African skins.

WHILE SUPPLIES LAST

KROW-OIL

This is a very good oil that works very well in conjunction with Krowtann 2000. If you are wanting to do a rug or a flat tan with Krowtann 2000, we highly recommend using Krow-Oil. Good results can be obtained without any breaking for your rugs or wall hangings. Krow-Oil can also be applied to a cape or skin to give even more stretch and to make the skin even more soft. Complete instructions included.

91-KTOIL Quart \$ 28.00

ADVANCED TANNING SOLUTIONS SNAKE OIL

A swab oil for tanned snake skins. Specifically formulated to soften snakeskins tanned with the Snake Tanning Agent (90-ASTAN). Will not leave an oily or greasy feel to the skin.
