NEW

GLOSS SPRAY

It's so thick, one coat equals three coats of many other clear aerosols. "Triple Thick" Crystal Clear Glaze offers a bright, clear coating that gives the illusion of depth with a flexible acrylic formula that won't crack like lacquer.

91-GLOSS 12 ozs \$13.00

NEW

NATURE'S OWN EYE CLEAR COAT

Protect acrylic, plastic, polymer and glass eyes from paint overspray. Dip eyes in clear coat before setting or paint on after eyes are set. Easy to peel off. Dries fast and clear.

91-EPCC 1.5 ozs \$ 8.00

LIQUID CRYSTAL AEROSOL

Ultra high gloss, fast drying, high build, smooth atomization, excellent flow and leveling, instant propellant release, outstanding adhesion, non-clogging, non-fogging, non-blushing, non-cracking, dimensional stability, temperature stress resistant, print resistant, chip resistant, excellent hardness, flexibility and gloss retention.

LTL12 12 ozs \$ 24.00

SUPER FISH SEALER

The ultimate in a clear primer/sealer for skin mounted fish. Allows for a high strength bond to the fish skin surface. The non-glare matte finish creates an excellent surface for all paints to adhere to. NON-GLOSSY.

91-GB15S 15 ozs \$ 21.00

SUPER FISH GLOSS

Produces the ultimate wet-look finish. This flexible high-gloss clear coat shows great depth in a mirror-like finish. Can be applied over all dry paint surfaces and guards against harmful ultraviolet rays. The durable finish is washable when cured allowing for dust and dirt to be removed without damage to the mount's high gloss finish. GLOSSY.

91-GB15G 15 ozs \$ 22.00

EYE PROTECT

Designed and specially formulated to protect acrylic, plastic and glass eyes from paint overspray. Eye Protect is painted over the eyes before painting a mount. When finished with the mount, simply peel the Eye Protect off of the eyes. Fast drying time. Can be used with all paints.

91-EP2 2 ozs \$ 12.00

EPO-GRIP FISHTOOTH

A specially designed white tooth paste that allows you to easily and quickly create teeth in a fish mount. It does not droop or migrate when applied to the jaw area allowing both the top and bottom jaws to be worked on at the same time. Cures in 3-4 hours.

91-EGTH04 4 ozs \$ 17.75

MOD-PODGE (MATTE)

Waterbase brush-on sealer, glue and finish—all in one. Fast build-up, dries quickly to a clear finish. NON GLOSSY.

91-MOD08M 8 ozs \$ 8.00
91-MOD16M 16 ozs \$ 15.00

NEW

EPO-GRIP FIN MAGIC

A time saving reinforced translucent fin reproduction adhesive designed to produce strong, flexible fins for the taxidermist without the mess. Fin Magic is a ready to use product that can be easily tinted, providing application flexibility not previously found in other methods of fin reproduction.

91-EGFIN08 8 ozs (DS) \$ 28.25
91-EGFIN16 16 ozs (DS) \$ 40.25

TUF-FIN FLEXIBLE FIN BACKING

Crystal clear before it dries, allows you to see what you are doing. Fins coated with TUF-FIN are durable, non-yellowing and remain flexible. You can finish the fins any way you want—lacquer, water-based, oils, acrylics, polyurethanes, epoxies. Won't craze, crack, wrinkle, lift, peel, etc.

LTTUF-8 8 ozs \$ 22.00
