

**UPHOLSTERY PIN**

Heavy duty 16 gauge reusable pin. The circle head makes it easy to handle.

92-UP4                      4"                      1 doz                      \$ 5.25

**ROUND HEAD PINS**

Reusable all purpose pins. Great for pinning eyes and lips. Large round head for easy handling.

92-RPIN25                      2 1/2"                      1 gross                      \$ 6.00

**T-PINS**

Reusable all purpose pins. Great for pinning eyes and lips. Easier on the fingers than straight pins. Nickel plated steel.

92-T20                      1 1/4"                      1/2 lb. box                      \$ 18.00  
92-T32                      2"                      1/2 lb. box                      \$ 15.00

**BANK PINS**

Similar to straight pins, but much heavier. Use them in areas where you need to leave the pin in. Great to use around your stitches for extra protection. Easily hides beneath the hair of your mount.

92-BNK17                      1 1/16"                      1/2 lb. box                      \$ 12.50  
92-BNK24                      1 1/2"                      1/2 lb. box                      \$ 11.50

**BLACK INSECT PINS**

Same as the above BANK PINS, except they are black in color and easier to hide.

92-BIP16                      1 1/16"                      1/2 lb. box                      \$ 17.50  
92-BIP20                      1 1/2"                      1/2 lb. box                      \$ 19.50

**STEEL WIRE BRADS**

Use these brads for a variety of jobs, pinning lips, eyes and maximizing muscle lines. Excellent for inserting into detail areas and leaving them. 1 lb.

92-GB18                      18ga                      1 1/2"                      \$ 15.00  
92-GB20                      20ga                      7/8"                      \$ 20.00

**BRAD DRIVER**

96-BD1                      \$ 11.00

**MAGNETIC BOWL**

Use this magnetic bowl to keep pins and brads from spilling all over your shop. If you knock it off your work bench, no need to worry about picking up all those tiny pins, they will stay in the bowl. Also, has a soft, rubberized covering over the magnet to prevent damage to finished surfaces you may set it on.

96-BOWL4                      4"                      \$ 6.00

**WRIST MAGNET**

No more reaching and stretching for your pins and brads hold them close at hand with this wrist magnet. Easy on/off velcro nylon strap.

96-WRIST                      \$ 5.00
