Form Alteration

By Taxidermy Training Unlimited
With Ray Hatfield (2 Hrs)

Ray shows you how to change the size & pose of a lifesize bear form. Alterations includes turning the neck, changing leg length & positions, installing an artificial nose, opening the mouth on a closed mouth form and installing a jawset. (The modified form was then used in the making of Ray's Mounting & Finishing a Lifesize Brown Bear DVD, #89-RH04) This video also includes a segment on altering the head width and length of a Warthog. (This section is already included in Ray's Mounting & Finishing a Warthog DVD, #89-RH05). Although Ray is using a lifesize Brown Bear and a Warthog form in his demonstrations, the techniques used can be applied to most lifesize or game head forms respectively.

Custom Wall Pedestals Made Easy

By Kulis Productions
With Michael "P" Schlabach (5 Hrs)

This DVD covers several different projects, making a quick and simple wall pedestal as well as full pedestals. There is a great chapter on how to utilize a cape that has part of the body or brisket missing. He takes you all the way from altering a form to finishing the pedestal in a very timely manner. A great DVD from a very unique guy!
